Camelot Ballroom is an 11,000 square foot building that includes a 6,000 square foot floating hardwood dance floor. The facility holds up to 530 guests and has over 300 parking spaces. It is furnished to cater to weddings, business meetings, company parties, private birthdays, reunions and dancing. Beautifully decorated with eleven three-tiered chandeliers and mirrors. We have big screen televisions and video projectors along with a video/audio/P.A. and stereo system. We have a reception desk, a raised stage and a covered canopy at the main entrance for convenient loading and unloading. If you can dream it, we can make it happen. We are a spacious ballroom and dance studio which can bring elegance and creativity to each and every wedding, reception or business event. Our goal is to provide you and your guests with an incredibly beautiful space to to celebrate and dance whatever the occasion.
